ONE PLACE TO SEND AND STORE STAFF DOCUMENTS

An online document management system that removes paper-based staff files and automates manual processes.

Instantly send staff contracts, personnel documents, handbooks. Company policies update online.

Track documents that have been sent, read and digitally accepted. Send reminders on outstanding documents.

Upload work permits, medical documents, and signed company documents to each staff member's file.

Store and record every staff member's entire document history from the date they joined the business.
