

Get to know our Staff Scheduling module

CREATE ROSTERS THAT DELIVER FOR EVERYONE

Intuitive, fast, and easy to use. Build rosters that meet the business' staff requirements every time.

Simply drag and drop shifts, load previous rotas or even enter any start and end times - it's that flexible.

View staff coverage times, holidays, absences, visa expiries, compliance issues, and add any comments.

Instantly compare planned rostered hours and labour costs against the budget before the period starts.

Connect with the team and send staff members their shifts and rotas instantly.

Key Features

availability**

**Multi department
& job rostering**

**Department coverage
per hour per day**

**See hours, costs,
budgets & deviations**

Staff Scheduling

For the way **you work today**

Intuitive, fast and easy-to-use staff scheduling software on one platform.

Smart Scheduling

Building rosters is fast and easy. Load previous weeks; enter random times; drag & drop, copy & paste shifts.

Manage Absences

View holidays, approve or decline holiday requests, paid or unpaid absences, auto-update staff balances.

Holiday Checker

Set holiday limits by department. Staff can view holiday dates already booked by staff.

Budget Analysis

Compare rostered and budgeted to actual hours and costs worked and view all performance deviations.

Department Track

Applies multiple staff pay rates in accordance with the department or role worked.

Reminders & Notes

Add roster comments to staff members' profiles or set reminders for upcoming key events.

Roster Coverage

View coverage per hour per department ensuring right people at right time to meet service levels.

Alert Deviations

Flag breaches of Working Time Act, cost or tax thresholds, visa or staff contract rules.

**WORKFORCE MANAGEMENT
& HR SOLUTIONS**

For the way you work today

Connect Your Staff

Build rosters and instantly send every staff member their shifts and rotas.
