

Get to know our Performance Alerts module

MANAGE CHANGE BEFORE IT HAPPENS

Set thresholds, dates and benchmarks to HR policies, staff attendance, labour costs and policy breaches.

View alerts, reminders and notifications on key issues in real-time that will impact business departments.

Making managers and department heads aware of issues and tasks that need to be addressed and followed up.

Set alerts, calendar pop-up reminders and never miss staff members' probation reviews, appraisals or visa expiry dates.
