An intuitive, fast, and easy-to-use payroll system

End of period sorted

Send your end-of-period timesheets directly to your payroll system electronically.

Reduce Administration Times

Your payroll times will be greatly reduced, meaning less time spent on admin work.

Electronic Timesheets

Our electronic timesheet options work with all leading HR and payroll systems.

Review & Send

Timesheets can be authorised by managers prior to importing approved timesheets to payroll.

Password protected

Our payroll system is password protected with a built-in audit trail, custom data views and the option to set user authorisation restrictions.

Intuitive and Easy to Use

Quickly and easily view snapshots of any employee's total attendance for any selected period.

Timesheet Options

Our timesheets have single or multi-line format available as standard.

Attendance Policies

HR is flagged on any deviations in attendance based on your company's attendance policies.

Integration with Payroll Systems

Our system works with single or multiple payroll setups within the one organisation.

Calculate Employees' Hours

Calculate all employees' basic and overtime hours, holidays, paid absence, lieu time and entitlements based on your pay categories and rules.
