

Get to know our Time & Attendance module

PROCESSING EVERY STAFF MEMBERS' ATTENDANCE TIMES

Automatically records all the start and end times for each staff member's shifts and breaks.

Accurately interpreting, applying, and processing all the working rules of the business.

Instantly view staff no-shows, late entries and early exits alerts on the Time Point Manager App.

Processing staff members' total attend times and entitlements to payroll is fast and easy.

Key Features

Highlights policy infringements

Intuitive multiple filter options

Sends alerts on attendance issues

Applies your entire working rules

Calculates late arrivals & early exits

Records all shift and breaks times

Powerful attendance dashboards

View by department, location or group-wide

Time & Attendance

For the way you work today

An intuitive, fast, and easy-to-use workforce management & HR system

Everything On One Screen

All your records are visible on one screen with no time lost having to swap between views.

Audit Trail Tracking

Assign secure passwords to users, view all edits each user makes with our audit tracker tool.

Flags Shift Deviations

All late entries, early exits, or no shows are instantly flagged for your peace of mind.

Built-in eAlerts

Send managers critical alerts on attendance deviations, working rules, and company policy.

Smart & Intuitive

Easy to use, find, edit, and update staff records in real-time.

Work On What You Need

Powerful filtering tools for users to find, view and work on what they require instantly.

Easy Absence Management

All unplanned absences are highlighted making them easy to view and assign absence reasons.

Payroll Ready

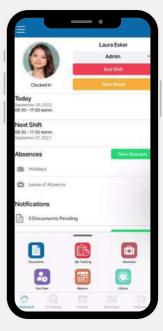

Fast, efficient exception editing and approval, of timesheets that automatically link to payroll.

Connect Your Staff

Build rosters and instantly send every staff member their shifts and rotas.
